WHO WE ARE

Jai Bharath Arts & Science College is an institute committed to provide world-class career-oriented Education and Training started in the year 2002 at Arackapady, Perumbavoor. The college is affiliated to MG University, Kottayam. It is about having exceptional facilities and highly qualified dedicated faculty that stand behind its students. It is about achieving a rich and balanced teaching experience, inside and outside the classroom.

The Institute is committed to maintain a position at the forefront of knowledge, graduate the most talented and qualified students in the region who are capable of playing an active role in the continuing development of their chosen profession and supporting the needs of the local industry and society. The outcome based education systems are introduced and it permits the students to learn and acquire specialized skill by studying job oriented and advanced learners courses along with their studies. Now the college offers 7 PG courses & 12 UG courses.

VISION

Jai Bharath aims to create an institution committed to academic excellence, producing students with the ability to think critically, creatively, become technology literate and to communicate effectively. Also serve the society by providing affordable quality higher education at a times.

WHO WE ARE

Jubilee International Academy known as JB International Academy was founded at Cochin. to provide industry based skills education for working professionals and want to enhance their qualifications. Today's complex business environment requires a competent workforce that is industry-ready and industry-relevant. As enablers in the creation of knowledge workers, Academic Institutions need to equip students with in-depth preparation in imparting the modern concepts of management and Skills demanded by industry with emphasis on live participation and case studies, which are strategically important in learning the fast changing business in the globalized economy. At the corporate level, the recent global financial meltdown has further enhanced the need to stay competitive in the changed economic order. Most organizations have understood the merits of having a knowledgeable workforce and have started looking at learning and development as a strategic initiative. Businesses have also realized the significance of standards based education/ training - a pre-requisite for student success.

VISION

JB International Academy is working for a vision to provide quality education to all the persons in India. We will be a world leader in the integration of education and employment, advancement of the knowledge base. We want to improve the level of Academic and professional education in India. We are determined to provide quality human resource for the overall development of the country.
